- Aesthetically pleasing and may stay-up seasonally
- Lightweight – Easily installed and removed
- UV protected to last
- Vandal deterrent
- Window/door glass breakage prevention
- Compliant shutter system under Florida Building Code – HVHZ

Availability

AmeriLux International, LLC has chosen to utilize GE's Lexan* XL10 and Thermoclear 16mm sheet to help protect homes and businesses from the forces of nature. AmeriLux's patented system (utilizing Lexan sheet as a component) meets the high velocity hurricane zone requirements for Florida State Building Code - HVHZ; is quick and easy to install, and can be used with standard F tracks and Headers.

Whether you are looking for multiple residential windows, patio door coverage, or storefront protection against Mother Nature, AmeriLux Intl. provides their dealers and installers with a complete

engineered system to your needs.
