Lexan Thermoclear Easy Clean Sheet

LEED Data

Product contributes to USGBC LEED-NC v2.2 credits, www.usgbc.org

☛ Sustainable Sites

- SS Credit 7.1 - Reduce heat islands, non-roof
- SS Credit 7.2 - Reduce heat islands, roof
- SS Credit 8 - Light pollution reduction

☛ Water Efficiency

- WE Credit 2 - Innovative wastewater technologies
- WE Credit 3 - Water use reduction

☛ Energy and Atmosphere

- EA Credit 1 - Optimize energy performance

☛ Materials and Resources

- MR Credit 4 - Recycled content

☛ Indoor Environmental Quality

- EQ Credit 6 - System controls
- EQ Credit 7 - Thermal comfort
- EQ Credit 8 - Daylight and views

☛ Innovation and Design Process

- ID Credit 1 - Innovative design features
